August 23rd, 1880.

Yisterday wuz the most eggscitin time we ever hed on the Island. I hev bin in many a tite place in my life, but never in so tite a one ez this. It was a close time when I deserted from the Looisiana pelikins, and wuz bein shot at by the pelikins from behind and the fedrals from the front, wich is the normal condition uv a northern dimekrat, and wuz president uv the Onlimited Trust and Confidence company, and wuz pursood by a infooriated mob, but them escapes pale into insignificance com-

It wuz the day we set apart, Hancock and me, to receive delegashuns, wich we do wunst a week. This is alluz our tryin day, and I hev to be in Ginral Hancock's room to assist him. He is very much in need uv a statesman, and I serve him in that capassity.

But he came to lay before the president that is to be, the views of the dimocrisy uv Injeany, showin wat dimocrisy is in that state. Wat the dimocrisy uv Injeany wanted wuz a totle destrucshun of the nashnel banks, and an onlimited isheo uv greenbax by the general government. The dimocrisy uv Injeuny, ez wun man, demandid

The Ginral remarkt that he hedn't hed time to give much attenshun to the question uv finance, but he hed no doubt that the Injeany polisy wuz the correct thing He pledged hisself, if elected, to devote some spare afternoon to the study uv finance, and hed no doubt uv his do i the right thing.

The Noo York delegashun remarkt that they had a word to say ez to wat dimocrisy wuz, dimocrisy in Noo York meant a gold basis, and the continyooance uv the nashnel banks, and no fiat money. Fiat

You are all, doubtless, good demekrats, but you ain't none uv yoo got the proper noshun uv wat dimocrisy reely does mean. Dimocrisy is a comprehenscant; and painful discharge of ariously colored urine; minute shreds or casts in the urine; and, when the disease is of long duration, there is onlimited money—he may cherish bis onlimited. noshun and still be a good dimekrat.
